

## **Intersectionality & Critical Race Theory Statement**

Roamers Therapy strives to be a culturally competent group practice that embraces the intersectionality of our clients and incorporates this lens to our clinical processes. Therefore, we ask you to provide us a statement that communicates your perspective on intersectionality & critical race theory.

You can read this article before writing your statement: <https://www.ywboston.org/2017/03/what-is-intersectionality-and-what-does-it-have-to-do-with-me/>

And you can watch these short videos before writing your statement:

- <https://www.youtube.com/watch?v=ViDtnfQ9FHc>
- [https://www.youtube.com/watch?v=rwqnC1fy\\_zc](https://www.youtube.com/watch?v=rwqnC1fy_zc)

Your statement should be written in a blog post format and at least answer the following questions:

- How would you define intersectionality?
- How would you describe your own intersectional experience?
- What would an intersectionality-informed treatment process look like?

Remember that you are not required to summarize neither the article nor the video. We are more interested in reading about your personal & clinical perspective on intersectionality.
